

Deck the Halls!

The festive season is fast approaching and we are looking forward to the most fun packed Christmas ever.

There are lots of things to look forward to over the coming weeks so make sure you speak to your support worker if you would like to attend any activities. Also, over at Baked Beans there is a Christmas Rise Up! club night at 7pm on Friday 13th December at the Gardens Tennis Club in Southfields.

The Chilli Beans are performing their new show 'A Chilli Christmas Carol' on Wednesday 11th and Thursday 12th December at 7pm, and Friday 13th December at 2pm at the Gardens.

It's going to be a great week so make sure you are there to enjoy the fun. If you want to find out more, just ask your support worker.

Meet the Team

We talk to Anthony, the House Coordinator at Brookwood...

Live Too: What makes Brookwood a great place to live?

Anthony: Brookwood is a GREAT place to live because it's a HAPPY and cheerful home and the guys love to play jokes on each other.

LT: What is the role of a house coordinator?

A: My role as a house coordinator is to oversee the running of the house and service users' wellbeing; making sure the guys are happy and healthy. The service users are encouraged to do as much for themselves as possible.

LT: What is Team Brookwood looking forward to?

A: The Brookwood guys are super excited for the festive season as it's their favourite time of the year. Visiting Winter Wonderland, receiving and giving presents to their friends and family, spending time with family, and also taking part in their festive plays and performances with Baked Beans.

LT: How do you make sure everyone is happy at home?

A: I make sure everyone is happy by having a laugh with the guys; cracking jokes and joining in on pranks with each other. The Brookwood guys have such fun side to them and they love doing this and laugh a lot.

Next time we'll be interviewing the tenants so you can find out how they feel. Let's see what they have to say about Anthony...

Isle of Wight Holiday 2019

This year Live Too were proud to launch their first holiday to Lower Hyde Holiday Park on the Isle of Wight.

This was certainly a holiday to remember, with trips to the Needles at Alum Bay, Blackgang Chine Land of Imagination, as well as dancing the night away at the nightclub.

We are planning to make a holiday like this an annual event, so watch this space for news of next year's holiday destination!

Moving On

We would like to congratulate former Live Too tenant David Dutton for moving on into his own flat!

This had been a long-term goal of David's and we are glad we could help him on his journey to living in a place all of his own.

We are really proud that David has got this opportunity and we wish him all the best for the future.

Well done mate and stay in touch!

Be Safe

Now the nights are drawing in, it is getting dark very early in the evenings.

It is important to keep safe whilst traveling in the community. James Wheildon is running a 'Keep Safe' workshop in early January 2020.

Everybody is welcome. Your House Coordinator will let you know more details soon.

Donate

We will be collecting items for the Wandsworth foodbank on Monday 16th December, so if you would like to donate please bring a non-perishable item to the office or to your Baked Bean class.

Merry Christmas

Live Too Limited provides care and support for people with learning disabilities in their homes and in the community.
